

Davide Miron

a16z LP (SR004) · Builder & Investor · 17

mirondevx@gmail.com | LinkedIn | x.com/davidem629241

I build consumer products and back early-stage startups. At 15, I shipped SwipeFlow to 3,000+ users. At 16, I became the youngest LP in Italy through a16z.

Thesis: ship with conviction, iterate faster than the market.

PROJECTS

SwipeFlow 2024

Cross-platform gallery cleaner

- 3,000+ downloads, 1,000+ MAU
- Solo-built end-to-end: product design, engineering, ASO, growth
